Dynamic Business Law: The Essentials-Daniel Herron 2015-01-23 Dynamic Business Law: The Essentials is appropriate for the one-semester Business Law course. It contains the basics of business law but does not get bogged down in the kind of details that are more appropriate in an upper-level law class. The text provides an examination of the basic questions, concepts, and legal rules of business law. Emphasis on the BUSINESS in business law. Dynamic Business Law: The Essentials emphasizes the tie of legal issues back to the core business curriculum. This will help both students and faculty. Faculty need to know how this is integrated as they are constantly 'defending' the inclusion of this course in the business curriculum. And students need to understand how the concepts tie to their future business careers. Emphasis on TEACHING. Many professors teaching this course are attorneys first and academics second. They do not have a lot of time to prepare or think about how to apply this information effectively for their business students. Dynamic Business Law: The Essentials contains a helpful instructor's manual, particularly for the many adjuncts teaching this course. Emphasis on CRITICAL THINKING. Neil Browne, one of the co-authors of this text, has written a successful text on critical thinking. His framework is included in Dynamic Business Law: The Essentials as well - to help students learn how to frame and reframe a question/issue. Critical thinking questions are also included at the end of each case, to tie in this component even further.

Business Law I Essentials-MIRANDE. DE ASSIS VALBRUNE (RENEE. CARDELL, SUZANNE.) 2019-09-27 A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

Essentials of Business Law-Anthony Liuzzo 2009-01-26 The seventh edition of Essentials of Business Law retains all of the strengths of past editions but has been revised and enhanced to cover the latest developments in the legal field. This text will help you discover a wealth of information and learning opportunities that will give a clear understanding

of business law topics. This text will also help to identify, explain, and apply the principles of business law in your daily lives and in the larger world in which you live.

Business Law-Jane P. Mallor 2004 Mallor, Barnes, Bowers and Langvardt's, Business Law: The Ethical, Global, and E-Commerce Environment, 12th Edition, is appropriate for the two-term business law course. The cases in the 12th edition are excerpted and edited by the authors. The syntax is not altered, therefore retaining the language of the courts. As in the 11th edition, the 12th edition includes a mix of actual AND hypothetical cases. The title has been changed to reflect a new focus of the book - the global and Internet environment. Business Law: The Ethical, Global, and E-Commerce Environment, 12e includes new pedagogy such as opening vignettes and new-boxed features such as "Ethics in Action" and "Cyberlaw in Action." This combined with case briefs and concept reviews, along with some reorganization of the text results in a more complete, relevant and user-friendly text.

Legal Environment-Brian J. Halsey 2011 Comprehensive legal environment of business text, designed for introductory courses. This text is available in ebook format from the VitalSource Store. To download and use the ebook, you will need the free VitalSource Bookshelf software. DOWNLOAD NOW Features: Complete coverage includes all the elements

of a traditional Legal Environment of Business Text. Also covers topics that make it suitable for and "crossover" courses and courses that are traditionally business organizations or business law oriented. Designed for use in either general undergraduate legal environment classes or more practical paralegal courses. Approachable text, covering all the major subject areas of the legal environment in an easy to understand and concise manner. Provides both an understanding of the basics of the law and understanding of practical applications. The basic concepts are reinforced by cases and hypotheticals within the text that allow for practical application of the legal concepts discussed in each chapter. This well-written text includes the following: Each chapter has multiple hypotheticals, examples, questions, definitions, exercises, in text case summaries and redacted case excerpts. All of the chapters begin with stated learning objectives. Additionally, each chapter includes a discussion of relevant ethical issues. Shorter length will appeal to those overwhelmed by longer books with too much information. A comprehensive instructor's manual and test bank will be included. The text will include free Loislaw access for students and faculty, together with sample research exercises. *Instructor's Manuals are a professional courtesy offered to professors only. Madness, Miracles, Millions-Joseph Semprevivo 2019-09-03 Every family has a story to tell—some are just more extraordinary than others. In the father/son-authored memoir *Madness, Miracles, Millions*, Joseph and Larry Semprevivo tell their family's story, and in doing so, they demonstrate that with real sacrifice and hard work, anyone can realize their dreams. This book tells the story not only of a million-dollar company and its humble beginnings but of the family who built the company and the many obstacles, both personal and professional, they overcame to accomplish their ultimate success. This is certainly not a tale of silver spoons and entitlement. The Semprevivo family's inspiring account takes the Horatio Alger narrative to a new level by presenting a family that not only overcame poverty with hard work but also overcame life-threatening illness and near-fatal accidents.

Contracts-Christina Kunz 2018-05-07 About 25% shorter than the previous edition, the third edition of this casebook contains both traditional edited case opinions and numerous brief example cases so students can learn from reviewing multiple applications of the legal rules. Well placed text boxes

provide "reading critically" questions preceding cases and supplemental information and additional questions at crucial junctures. Tables and flowcharts demonstrate connections among concepts and give visual learning cues. With the guidance provided, students are able to prepare more effectively for class, so they start class at a more sophisticated level and proceed more easily to deeper analysis. The book also includes frequent problem sets, both essay and multiple-choice, to test and expand students' understanding. The accompanying electronic version links directly to cited sources and to related multiple-choice problems. In addition to classic contract cases the book includes new cases chosen because of their teachability and because they address current issues and modern business practices. "Practice Pointers" provide a transactional focus by exploring practical implications of legal doctrine. The book no longer contains the text of Restatement and UCC provisions, so it should be accompanied by a statutory supplement.

Financial Accounting-Carl Warren 2015-01-01 Close the gap between homework and exam performance with Warren/Reeve/Duchac's FINANCIAL ACCOUNTING 14E!
